

# SEA-LINE BRAYT C4 TEAK CLEANER – effective & fast

## Technical Information Product for professional use

**Product description:** **C4 TEAK CLEANER** is a very powerful water-soluble, biodegradable concentrate for quick and efficient cleaning of teak wood. C4 restores color and leaves no residue (as opposed to acidic products). It contains no acids and is safe for adhesives and sealants. Sea-Line® C4 TEAK CLEANER is also indispensable at a rapid restoration of the color of exotic wood.

**NOTE: Do not use on glass and mirrors**

### Physical and chemical properties

**Type:** liquid  
**Color:** transparent  
**Smell:** specific  
**Solubility in water:** 100%

### Application:

#### Application

- Thin with water.
- For normal dirt add 1 part of C4 on 20 parts of water.
- For heavy dirt add 1 part C4 on 10 parts of water.
- Thoroughly soak the surface first with water.
- Use a suitable broom or brush to scrub the deck with Teak Clean perpendicular to the wood grain.
- Rinse with plenty of water.
- After drying and evaporation of water from wood, protect the washed surface dedicated to the exotic wood oils.

### Safety:

Please follow safety instructions from the technical data sheet and follow workplace safety laws. Avoid contact with eyes. If swallow, immediately seek medical advice and show the container label.

### Storage:

Product contents should be kept in tightly sealed containers, at a temperature between 5-35°C, far away from sources of fire, heat, and UV rays. Close the containers tightly immediately after every use. Keep away from children.

### Expiration date

36 months from production date

### Quality guarantee:

Production, quality control, and the realization of deliveries fulfill the demands of ISO standards 9001 and 14001

All information is based on scrupulous research and many years of experience. Our position of market leadership does not free us from constant quality control of our products. However, we do not accept responsibility for the effects of improper use or storage of our products, or for the effects of using our products in any way contrary to the standards of good workmanship.
